

Welcome to...

*770 Camp Meeting Road
Sewickley, Pennsylvania*

The very first ENERGY STAR certified home in the region, this home has been reconstructed from the foundation using only the finest quality materials and craftsmanship, creating the perfect marriage of millenium amenities and green technologies. Enter to a blanket of bamboo flooring creating seamless flow throughout the open main floor living spaces to include a step down two story great room with gas fireplace, surround sound stealth speaker system and french doors leaing to an omni stone terrace, central dining room which opens to the great room and gourmet kitchen with granite island with seating, granite countertops, custom elongated cabinetry and top of the line stainless appliances to include Energy Star refrigerator and dishwasher, gas range with stainless backsplash, microwave and disposal. The Owner's retreat is a perfectly secluded haven on the main level offering the most incredible in-suite spa with soaking tub, dual granite vanities and custome walk-in shower with seamless custom glass door. Absolute perfection!
